Board President Sheri Thomson called Special Meeting #11 to order. The meeting agenda was adopted after Ms. Vaughn requested two additional items concerning resignations and one additional item on hiring be added. Minutes from Meeting #10 were corrected and approved.

FINANCIAL REPORTS AND CLAIMS APPROVAL

Business Manager Dick Wirtz reported that the September student counts were not yet posted. The September count that was taken (946) is lower than what was reported to the DOE in June (956). Numbers will be finalized and trued up on Fremont's Basic Grant by the State in Nov or December. This reduction in enrollment will cause budget adjustments to be made to account for lower funding.

NEW BUSINESS

1. Mr. Sherbondy reviewed his memo for class rank policy. Christine Seiler made a motion to maintain the current policy as written. Laura McLatcher seconded. Unanimously all were in favor.
2. The Fremont Moose Lodge has been generous enough to give a \$2000 donation to the HS Athletic Department for assistance in purchasing a new practice wrestling mat.
